NOTICE OF INTENTION TO CONCLUDE A CONTRACT BEYOND THREE YEARS ON LEASING OF OFFICE AND LABORATORY ACCOMMODATION

Notice is hereby issued in **terms of section 33 of the Municipal Finance Management Act 56 of 2003** that uThukela Water (Pty) Ltd in its capacity as a municipal entity, intends to enter into a contract of nine years with any successful landlord under its competitive bidding process to commence no later than end of May 2024.

On the basis of stability, cost-effectiveness and planning, it is highly impractical to find office and laboratory accommodation for only thirty-six months and to relocate thereafter.

The Shareholder Municipalities and Stakeholder Departments have been given an opportunity to make their representations.
